

How do I add an in-line question to a Lessons page?

Instructors can add either a Multiple Choice question or a Short Answer question directly to a Lessons page. The questions can either be in poll form (no correct answer) or in graded form (correct answer).

Go to Lessons.

Click on the Lessons tool in the Tool Menu to display the page.

Note: The default or blank Lessons page contains text and images that explain the basic functionality of the Lessons tool.

To add a multiple choice question:

Click **Add Content**, and then select **Add Question**.

The screenshot shows a lesson page titled "LESSON 1". At the top right, there are buttons for "Print view", "Print all", "Index of pages", "Link", "Help", and a close icon. Below these are buttons for "Add Content +", "More Tools ▾", "Add Layout", "Reorder", and a gear icon. The main content area features a question: "What type of bird does Romeo refer to in Act III, Scene 5 that 'heralds the morn'?" followed by "Answer:" and a text input field. A "Submit Answer" button is located below the input field. In the top right corner of the question box, there is a "Show Grading Panel" button (represented by a list icon) which is circled in red. Other icons in this area include a pencil, a trash can, and a plus sign.

This will display the student grades and responses.
