Notice the file location in Resources.

The screenshot shows a file management interface with a top navigation bar containing 'RESOURCES' and buttons for 'Link', 'Help', and a refresh icon. Below this is a sub-navigation bar with 'Site Resources' (selected), 'Transfer Files', 'Options', 'Check Quota', 'Trash', and 'Permissions'. The main content area is titled 'Site Resources' and shows a breadcrumb path: 'All site files > Demo Site 01 Resources > Lesson 2'. There are action buttons for 'Move', 'Copy', 'Move to Trash', 'Show', and 'Hide', along with a 'Display Columns' dropdown. A table lists the resources with columns for 'Title', 'Access', 'Created By', 'Modified', and 'Size'. The file 'Maid with the Flaxen Hair.mp3' is highlighted in yellow. Below the table, there is a note about audio file streaming.
