

# How do I embed discussions conversations on a Lessons page?

Instructors can embed discussions conversations on a Lessons page. This can be useful if you are using Lessons as your course landing page, or if you wish to call attention to recent discussions activity.

## Go to Lessons.

Click on the Lessons tool in the Tool Menu to display the page.

*Note: The default or blank Lessons page contains text and images that explain the basic functionality of the Lessons tool.*

## Click Add Content, and then select Embed Discussions Conversations.
